MUSIC OVER BLACK

GRAPHIC: *My Life & Other Stuff That Went Wrong* book cover.

FADE UP:

A KID, about eleven years-old stands against a punchy-coloured backdrop, looking toward camera.

Tristan, the DIRECTOR, sits out of view, beside camera.

DIRECTOR (OUT OF VIEW)

Can you just do it once more but can you try to mean it this time?

KID

What do you mean?

DIRECTOR (OOV)

Just... be authentic. Try to really sell the audience on how much you love my books, okay? And... action!

KID

I just LOVE Tristan Bancks's books.

The kid tries too hard, is not convincing.

DIRECTOR (OOV)

Okay... That was...Let's just go for one more.

KID

I just LOVE-

We see a bunch of different kids trying the line with varying degrees of success in selling the message. Then back to that kid.

DIRECTOR (OOV)

Hang on. It just seems... kind of fake. Like You've been told to say it or something.

Kid looks confused.

KID

But... I have been.

DIRECTOR (OOV)

Are you answering back? Are you questioning me?
